by Peeler et al., circa 1953, pages 12-23.

The listed documents are brought to the Examiner's attention
because they are known to the applicant and/or the applicant's
attorney and may be considered by the Examiner to be material to

EX

his/her examination. This listing should not be construed as representation that a search has been made or that no better art exists. No inference should be made that the documents are in fact material merely because they are referenced herein. Moreover, no representation is made that the brief descriptions of the references herein necessarily describe the most material aspects of the references. Further, by this listing, the applicant is not making any admission regarding the relative dates of the invention and listed disclosures.

Respectfully submitted,

A handwritten signature in cursive script, appearing to read "David P. Gordon".
